OFFICE OF THE DEPUTY COMMISSIONER, KADUR DISTRICT.

Notification No. L. B. 19—29-30, dated 4th November 1929.

In pursuance of Government Notification No. L. 3021—L. B. 30-29-26, dated 25th October 1929, published in page 767 of Part II-A of the *Mysore Gazette*, dated 31st October 1929, directing that the term of office of the existing members of the District Boards in all the Districts be extended by a period of four months, it is hereby notified for the information of all concerned that the election of members to the Kadur District Board fixed for the 14th December 1929, in accordance with the Calendar published with this office Notification No. L. B. 19—1929-30, dated 21st October 1929, in Part II-A, page 765-66 of the *Mysore Gazette*, dated 24th October 1929, is hereby deferred until further notice.

H. V. RAMASWAMI,
Deputy Commissioner.

DAVANGERE TOWN MUNICIPALITY.

Notice dated 1st November 1929.

Fifty-five Bungalow sites measuring 150' x 100' in the New Extension of the Davangere Town, will be sold on the spot by Public auction at 8 A.M., on Monday the 2nd December 1929, by the President, Town Municipal Council, Davangere, or any officer deputed by him in this behalf. The sales are subject to conditions mentioned below.

Conditions.

1. The President reserves to himself the right to accept or refuse any bid without assigning any reason.
2. The sale is subject to confirmation by the Municipal Council, Davangere Town and subject to a minimum bid of Rs. 1,000 for each site.
3. The purchaser, whose bid is accepted, shall deposit 25 per cent of his bid at once on the spot; and the balance shall be paid within fifteen days from the date of sale in default of which the deposit made by him will be forfeited and the site resold at the risk of the purchaser.
4. The purchaser, shall, within thirty days from the date of the sale before delivery of the site, be required to execute an agreement on a ten anna stamp paper, binding himself, (*a*) to construct over the site a house according to a design to be approved by the President within a period to be specified in the agreement. Such period shall not ordinarily exceed one year in case of buildings costing Rs. 3,000 and less (*b*) to start construction within three months and (*c*) to enclose within a period of six months the site purchased by him with compound wall or a decent wire fence of design to be approved by the President.
5. Failure to comply with the conditions agreed to by the party as abovementioned, will involve the resumption of the site by the President, free from all encumbrances and without any claim to compensation.

6. The site which has been designed as a unit will not be allowed to be split up into two or three more house sites.

7. Not more than one dwelling house will be permitted in each unit site described above.

8. A minimum width of fifteen feet space open space between the front compound wall and the building and a minimum width of fifteen feet open space in each side of the main building will be insisted on.

9. The out houses such as kitchen, bathroom, latrines, etc., shall be built providing such facilities as the Municipality may advise for the escape of effluvia, smoke, etc., so as not to endanger the health of the main dwelling portion.

10. The President has the power of fixing generally the type of frontages to be adopted for building on any particular street or road.

11. No room shall be less than ten feet wide, not less than twelve feet long, not less than ten feet high.

12. No materials of a perishable or combustible nature shall be permitted in the construction of buildings.

13. The buildings shall be roofed with Mangalore tiles or terraced.

14. The levels of floor, baths, latrines and drain holes shall be fixed by the Municipality and proper cement line drains shall be constructed by the parties to lead off sullage and sewage from the premises into the Municipal drain or pipe line.

15. No pit shall be dug on the sites for earth for building purposes, all earth for building or raising the level of the floor, etc., shall be obtained from such places as may be directed by the President.

16. A final title deed will be given to the purchaser, only after the building has been completed, complying with all the conditions above stated.

17. The description and dimensions of the site mentioned in the plan, *viz*,, 150′ x 100′ are to be treated as only approximate and subject to correction.

18. The plan of the site to be auctioned will be hung up on the Notice Board in the Municipal Office.

19. The Municipal Council will not bind themselves to supply, stone, earth or building facilities though such reasonable help as may be given will not be withheld.

20. The Municipal Council will not bind themselves to provide water supply service to any street unless half the number of sites in that street or built up.

21. Not more than one site will be permitted to be bought by one individual.

DAVANGERE TOWN MUNICIPAL COUNCIL.

Notification dated 1st November 1929.

1. The undermentioned house and cottage sites in the New Extensions of the Davangere Town will be granted for upset price of annas six per square yard by the Municipal Council,

2. The council reserve to themselves the right to grant or reject the application without assigning any reasons.

3. Applications for sites with an initial deposit of Rs. 25 for each site will be received at the Municipal Office up to the 30th November 1929.

4. The allotment of sites will be decided by the Committee appointed for the purpose, among the several applicants, preference being given to persons who own no houses or sites in the Town now. Not more than one site will generally be granted to each individual.

5. The forfeiture of deposit, in case of non-acceptance will be at the discretion of the Municipal Council.

6. Within a month after the grant of the site, the balance of the purchase money should be paid to the Municipal Office, failing which the site will be otherwise disposed off and the deposit will be forfeited.

7. The purchaser shall, within thirty days from the date of final payment of purchase money and before delivery of the site, be required to execute an agreement on a ten anna stamp paper and bind himself (1) to construct within a period of one year over the site a house according to a design to be approved by the President, (2) to start construction within three months and (3) to enclose within a period of six months, the site purchased by him with compound wall or decent wire fence of the design to be approved by the President.

8. Failure to comply with the conditions agreed to, by the party as abovementioned, will involve the resumption of the site by the President, free from all encumbrances and without any claim to compensation.

9. The site which has been designed as a unit will not be allowed to be split up into two or more house sites.

10. Not more than one dwelling house will be permitted in each site described above.

11. The construction of the building will be subject to Municipal bye-laws regarding sanitation, etc., in addition to the following conditions also.

12. A minimum width of ten feet open space should be left between the front compound wall and the building and a minimum width of seven and a half feet open space on each side of the main building in case of house sites and fifteen feet in the case of cottage sites.

13. The out houses such as kitchen bathroom, latrines, etc. shall be built providing such facilities as the Municipality may advise for the escape of effluvia, smoke, etc., so as not to endanger the health of the main dwelling portion.

14. The President has the power of fixing generally, the type of frontages to be adopted for buildings on any particular street or road.

15. No more shall be less than 8 feet wide, not less than 8 feet long, and not less than ten feet high.

16. No materials of a perishable or combustible nature shall be permitted in the construction of buildings.

17. The building should be of burnt bricks with Mangalore tiles or terraced roof.

18. The levels of floor, baths, latrines, and drain holes shall be fixed by the Municipality and proper cement line drains shall be constructed by the party to lead off sullage and sewage from the premises into the Municipal drain or pipe line.

19. No pit shall be dug on the sites for earth for building purposes all earth for building or raising the level of the floor, etc., shall be obtained from such places as may be directed by the President.

20. The final title deed will be given to the purchaser, only after the building has been completed, complying with all the conditions above stated.

21. The description and dimensions of the sites noted below in the schedule are to be treated as only approximate and subject to correction.

22. The plan of the site to be disposed off will be hung up on the Notice Board in the Municipal Office.

23. The Municipal Council will not bind themselves to supply stone, earth or other building facilities though such reasonable help as may be given will not be withheld.

24. The Municipal Council will not bind themselves to provide water supply service to any street unless half the number of sites in that street are built up.
